

**A Message from the
Tri County Planning Committee**

On behalf of Woodbine Swim Club, it is our pleasure to welcome all of the swimmers, coaches, officials and parents to the 67th Annual Burt German Tri-County Swimming Championships.

Tri-County is unique in that it is one of the largest sporting events in the South Jersey area. It showcases the accomplishments of swimmers from 34 clubs across the Burlington, Camden and Gloucester County areas. It is especially special since Woodbine is known as “The Club Built by Burt”.

This year marks the largest field that Tri County has ever produced, with more than 1,400 swimmers competing. This is an amazing accomplishment from those swimmers and their coaches! You have worked incredibly hard to get here and we are sure that your dedication, work-ethic and sportsmanship will be on display over the next couple of days.

To all of the parents, it seems as though our start times come earlier and earlier with each passing Saturday in the Summer and you always show up for your kids. We appreciate you sitting in some of the hottest summer days we have seen! Your dedication and commitment to swim shows up in the pool and is evidenced by the achievements of your swimmers.

We would like to thank our membership for stepping up to help support an undertaking that has been several years in the planning. We are grateful for the time and dedication of so many of the members and who have given countless hours to ensure that this is a successful event.

Special thank you to our Board and Tri County Committee for their time and dedication to “The Woodbine” and to our sponsors for their support of this event. The transformation of the club has been a huge undertaking and we are so very proud of the end result.

We hope that you enjoy our club and have a great weekend at the 67th Annual Burt German Swimming Championships.

Best of luck swimmers!

Brian Barry
Chair of the Tri County Planning Committee
